Who We Are:

Our First Company Consport International was created to Organize an “Agent Network” to scout and transfer young talents worldwide.

Following that we signed a Joint Venture agreement with the World Organization for Peacefor to support Sport and Peace Events and to organize “Legends Football Matches” for Humanitarian purposes.

After a reengineering of the old structure we created the “SPORT SPORT” Organization which aims to recover real Sport Values for the younger generations.

We also signed Joint Venture Projects with TJRS of France to organize Football Events with Disabled boys and with “SanSiro Production” to bring itinerant, historical Jerseys Museums worldwide.

In 2017 we started a Joint Venture project with Lin-ing of China for developing a Football Manual for ordinary schools in order to start a new Football National Academy supported by Government.

There are a few words that can identify SPORT SPORT with its Partners and Customers:

Culture of Sport to rediscover the roots of ancient Sport Values.

Vision to maintain firm our focus on the real objectives that we want achieve.

Professionalism to keep our people and organization always updated in knowledge and technologies.

Commitment to guarantee success to the Customers that trusted us.

During the last 12 years we have been able to create an Agents and Collaborators Network in more than thirty countries worldwide; with their presence, and having as a priority

respect for other cultures and needs, we have performed international sport joint ventures projects with:

Long term relationships can be built on Step by Step bases only after reaching goals.

Analysis of Results in order to improve programs and action plans.

Communication and Flexibility to avoid waste of time and misunderstandings.

SERVICES:

Academies

SPORT SPORT Soccer Academies help its Customers to recruit and give accommodation to young athletes who are willing to undergo an all-around program.

Only people who aim to compete at the highest level in life and in football can participate.

Players will learn the real Sport Culture, knowing how to win and how to loose, working hard every day. These are the fundamental values of our Academies.

There are three different training methodologies that we can be able to support:

- “Funino” by Hors Wein, coming from his experience with Barcellona F.C.
- “Technical Guide” from the Italian Football Federation study
- “Training and Technic in Football” by Professor D’Ottavio of Tor Vergata University

Camps

For us Summer and Winter Camps does not only means a good opportunity for young players to train and improve technical and tactical football skills through the help of highly qualified trainers; for us it is also a fantastic opportunity to share experiences, to learn the values of integration, good communication and tolerance in this globalized world.

Our project “Sport Tourism and Culture” aims to give to the youth sectors of any club in any country in the world the most amazing and fulfilling experience for all the boys who have a dream and are ready to fight to reach it.

Humanitarian Matches and Tournaments

In the last years we have been part of the organization of many international Football Matches. Especially the matches for Humanitarian Purposes with the WORLD ORGANIZATION FOR PEACE. We count with the support of very famous players “The Ambassadors of Peace”, some of them have become “Mentors” or Mental Coaches in the Youth Sectors of very important Clubs.

Regarding Football Tournaments we are in agreement with the French organization TJRS in order to organize in different countries the Football Tournament “Handi Supporters” for disabled people of any age.

We are in agreement with the Italian Organization CLUB ITALIA in order to organize the most famous tournament for amateur in the world called “Mundialido” that is organized since 25 years ago.

Regarding Futsal Tournaments are able to support the organization of the most important event in the world with the presence of the two most important players in the world, Ronaldinho and Falcao.

Consultancy for Clubs Youth Sectors and Federations

Most of the requests of our customers are not only to receive specialized Technical or Marketing support at international level, very often it is just to integrate the Know How among internal sport areas.

With our project P.H.O.S. we want to give to any Small Club in the world and of course to its youth sectors players a real opportunity to start a professional path and a direct connection with the most important Clubs in the world. This project is supported by SportSport Agents and Collaborators in more than 30 countries worldwide.

Museums

Almost every Football event is integrated by the presentation of the “Jerseys Museum” by SAN SIRO PRODUCTION and if requested of the “Feet Museum” by MANO ARTIGIANA including the Masterpieces of the famous Italian Artist Dante Mortet, who, with his handwork has been able to shape in gold the feet of the Football Legends like Pelè, Ibrahimovic Drogba Zanetti and may other stars; a tangible memory of the greatest footballers of all time.
